1992 - 1998 Degree in Dentistry and Dental Prostheses at the University of Ferrara (top marks).

Degree thesis title: “The problem of orthodontic anchorage using the lingual technique; surgical protocol for a new type of implant.”

Supervisor: Prof. Giuseppe Siciliani

1998 Abilitation for dentistry in Italy and registration at Ordine dei Medici e degli odontoiatri

2012 GDC registered N° 224248

## EMPLOYMENT HISTORY

---

2015-Now Implantologist Arundel Dental and Implant Clinic Arundel Sussex UK  
2014- Now Implantologist Private Practice London Fulham Dental London UK  
2013- Now Implantologist Private Practice Ferrara Italy Dott.ssa Elena Bratti  
1999- Now Implantologist Aesthetic Dentist Private Practice Bologna Italy  
Dott. Simone Lenzi  
1999-2013 Implantologist , Asthetic dentist, General dentist Private practice S.  
Maria Maddalena (Rovigo-Italy) studio Bernini

## TRAINING

---

1998 Course in Implantology organised by Dr. Nazario Marini, Parma, Italy.

1998 – 2000 Attended to department of Prosthodontics. (Post graduate dental school Alma Mater University of Bologna)

2002 – 2003 Annual course in Implantology organised by Dr. Marco Degidi, Bologna, Italy

2003 Course in **Endodontics** “Ni-Ti rotating instruments” by Dr. Emanuele Ambu

2004 “**The subtractive colour technique**” by Mr Bebi Spina

2004 Member of the Italian Society of Osseointegrated Implantology (SIO)

2004 “Indirect aesthetic anterior tooth restoration ” by Dott. S. Valbonesi

2005 “Biological principles for indirect posterior tooth restoration” by Dott. S. Bottacchiari

2005 “ The aesthetic rehabilitation in fixed prosthesis on natural teeth and implants” by Dott. M. Fradeani

2007 Friadent Symposium, Berlin

2008 Active member of the Italian Society of Osseointegrated Implantology (SIO)

2008 Publication of an article in the journal “Implantologia”, entitled “La riabilitazione implanto-protesica estetica e funzionale con sinus lift monolaterale. Case report (Aesthetic and Functional rehabilitation using implant-prosthetics with a monolateral sinus lift. Case report)

2008 Interactive Poster Presentation at the Italian Academy of Prosthetic Dentistry (AIOP) national conference, entitled “Composite restoration of posterior teeth”.

2008 17<sup>th</sup> EAO Conference, Warsaw

2009 Member of the editorial board of the Italian Society of Osseointegrated Implantology (SIO).

2009 Publication of the article: “La rigenerazione dei difetti ossei nei siti post-

estrattivi mediante osso bovino deproteinizzato. Valutazione delle differenti tecniche chirurgiche.” (The regeneration of bone defects in post-extraction sites using deproteinized bovine bone (Bio Oss™). Evaluation of different surgical techniques.)

2009 Anatomical dissection course using a cadaver and advanced pre-implant surgical techniques, Faculte' di Medicine, Paris.

2009 Poster Presentation at the Osteology conference in Rome: “La rigenerazione dei difetti ossei nei siti post-estrattivi dei settori anteriori mediante osso bovino deproteinizzato. Follow-up a 24 mesi” (The regeneration of bone defects in post-extraction sites using deproteinised bovine bone (Bio Oss™). Evaluation of different surgical techniques. 24-month follow-up).

2009 Poster presentation at the 18<sup>th</sup> EAO annual scientific meeting in Monaco “Immediate implant placement in a fresh socket in the aesthetic area: surgical approaches and long-term evaluation”.

2009 Publication of the article: “L'utilizzo di impianti transgingivali come esemplificazione del piano di trattamento: protocollo clinico e case report” (Immediate loading using trans-gingival implants to simplify rehabilitation in the edentulous jaw. Clinical evaluation and case report).

2010 Poster presentation at the SIO international congress in Rome “Immediate loading using trans-gingival implants to simplify rehabilitation in the edentulous jaw”

2010 Publication on Implant Tribune Italy march- L'utilizzo degli impianti transgingivali-

2010 Poster presentation Friadent Symposium Barcelona “immediate loading using trans-gingival implants to simplify rehabilitation in the edentulous jaw. Clinical evaluation and case report”

2010 Poster Presentation at 19<sup>th</sup> EAO annual scientific in Glasgow “Immediate Loading using trans-gingival implants to simplify rehabilitation in the edentulous jaw. Clinical evaluation and case report.”

2011 Opinion leader for Dentsply Implant

2011 Chairman at SIO International congress Bologna Italy

2011 Poster presentation at SIO International congress Bologna

2011 Scientific Oral Presentation at AO Washington D.C “ Peri-implant collagen fibers around human Cone Morse connection implants under polarized light”

2011 Publication on “oralchirurgie dental” “Sofortbelastung von transgingivalen implantaten im zahnlosen Unterkiefer”

2011 Speaker at first Dentsply Dental Forum -Bologna Italy

2011 Poster presentation EAO Athens “Immediate implant placement in the aesthetic area versus traditional delayed loading: surgical approach and long term evaluation.”

2011 Poster presentation EAO Athens “ Immediate loading using trans-gingival implants to simplify rehabilitation in the edentulous jaw. Clinical evaluations of 32 implants.”

2012 Poster presentation at AO Phoenix AZ “ A histological and Histomorphometrical evaluation of retrieved human implants with a wettable highly hydrophilic, hierarchically microstructured surface: a retrospective analysis of 14 implants”

2012 Oral presentation at 15 Friadent Symposium in Hamburg  
“Xive TG and CAD-CAM techniques: tension free premium overdentures solution at an affordable price”

2012 lesson Course at Master in implantology Universit di Padova “Il trattamento implantare nel paziente edentulo”

2012 Speaker at Regional ANDI Congress Lucca “ Il trattamento nel paziente edentulo- protocollo implanto protesico mediante impianti trans-gengivali”

2012 Moderator at Congress “The implant with Cone morse connection” Lecce

2012 Publication on iDentity 2/12 “A single step to success; Transgingival Xive implants in the edentulous mandible”.

2012 Member in the directive Board of SIO (Italian Society for Osseointegration)

2013 Speakers for Dentsplay Implant UK internal meeting.  
Stonhouse Gloucestershire “The right approach protocol for edentulous jaw using trans-gingival implants.”

2013 Palermo- Live surgery course- the rehabilitation in edentulous jaw using trans-gingival implants

2013 Bari- Moderator at SIO spring course.

2013 Lucca (Tuscany) Speaker at private course Xive Tg and Xive S : Immediate Loading for a predictable and affordable protocol

2013 publication on *Zahnarzt Wirtschaft Praxis* “*Transgingivale Implantate im zahnlosen Unterkiefer*”

2013 Speakers at Dentsply Discovery Milan Ist Galeazzi Milan “ the treatment planning in the Edentulous patients: Surgical and prosthetical simplify protocol for immediate loading”

2014 Advanced course Oral and Implant Surgery University Of Guarhulos Brazil

2014 Padua –Italy - SIO Spring Course Coordinator-moderator

2014 EJOI **Immediate functional loading of single implants: A 1-year interim report of a 5-year prospective multicentre study** G. Luongo, C. Lenzi, F Raes, T. Eccellente, M. Ortolani, C. Mangano Eur J Oral Implantol 2014;7(2):1–13

2014 Jahrbuch Implantologie 2014 Transgengivale implantate im Zahnlosen unterkiefer pag. 104

2014 EAO congress Rome Poster presentation THE SOFT AND HARD TISSUES AROUND TRANS-GINGIVAL ONE PIECE IMPLANTS: CLINICAL EVALUATION ON 106 IMMEDIATE LOADED IMPLANTS

## REHABILITATIONS IN EDENTULOUS JAW

2014 EAO congress Rome Poster presentation **FULL ARCHES IMMEDIATE LOADING: LONG TERM CLINICAL EVALUATION ON 245 IMMEDIATE LOADED IMPLANTS**

2014 EAO congress Rome Poster presentation  
**IMMEDIATE IMPLANT PLACEMENT IN THE AESTHETIC AREA VERSUS TRADITIONAL DELAYED LOADING: SURGICAL APPROACH AND LONG TERM EVALUATION**

2014 PUBLICATION - The Dentist Magazine UK October 2014 vol. 30 No. 10  
"Economical full arch" Pag.106-109

2015 January -Birmingham UK speakers at PEERS UK **"The immediate loading using transgingival implants as affordable and simplify rehabilitation in aesthetic area."**

2015 Feb – March - April SPEAKERS at ANDI BOLOGNA (National Association Italian Dentist) **"The treatment in the Edentulous patients: Surgical and prosthetical simplify protocol for immediate loading technique"**

2015 May Invited Speaker in Perm (Russia) for 200<sup>th</sup> celebration of Perm University

2015 August Invited speaker in San Francisco USA at ICOI summer congress.  
**"The Prosthodontic timing: from single implant to full arches rehabilitations, how has the approaches changed over time?"**

2015 September EAO Stockholm Poster presentation: **Full arches immediate loading: long term clinical evaluation on 276 immediate implants**

2015 September EAO Stockholm Poster presentation: **Soft and hard tissues around trans- gingival one piece implants: clinical evaluation of 122 immediate loaded implant rehabilitations in the edentulous mandible**

2015 November active member for PEERS ITALY 1<sup>st</sup> meeting

2015 November Invited speaker in Nizhny Novgorod (Russia) **Full arches immediate loading : how to simplify the techniques an be predictable in success.**

2015 November invited Speaker in Nizhny Novgorod (Russia) **Hands on course on artificial mandible: The immediate loading using Xive protocol**

2016 May Invited Speaker at MEGAGEN implant Symposium Milan  
**"Innovations and research data on ANYRIDGE implants."**

2016 Active member of MINEC Megagen International Network exchange community

2016 August speaker at MINEC meeting Dana Point California  
**"case report and research study result on Anyridge implant"**

2016 August attended at AAED American Academy of Esthetic Dentistry  
Dana Point- California

2016 Poster presentation at EAO Paris IMMEDIATE LOADING IN EDENTULOUS JAWS: LONG-TERM CLINICAL EVALUATION OF 313 IMMEDIATELY LOADED IMPLANTS

2016 Poster presentation at EAO Paris **SINGLE IMPLANT PLACEMENT IN THE AESTHETIC AREA: IMMEDIATE LOADING VERSUS TRADITIONAL DELAYED: SURGICAL APPROACH AND 4 YEARS LONG TERM EVALUATION**

**2017 Active member IAO Italian Association for Osseointegration**

**2017 June Tutor teacher in clinical implant hands on course in Bucarest for Megagen ch**

**2017 July –Nairobi lecture speaker ANYRIDGE IMPLANTS: FROM RESERCH DATA TO DAILY CLINICAL PERFORMANCE MINEC meeting AFRICA BLITZ**

**2017 October EAO Madrid poster presentation IMMEDIATE LOADING IN EDENTULOUS JAWS: LONG-TERM CLINICAL EVALUATION OF 337 IMMEDIATELY LOADED IMPLANTS**

**2017 October EAO Madrid poster presentation SINGLE IMPLANT PLACEMENT IN THE AESTHETIC AREA: IMMEDIATE LOADING VERSUS TRADITIONAL DELAYED: SURGICAL APPROACH AND 5 YEARS LONG TERM EVALUATION**

**2017 October Tutor teacher in clinical implant hands on live course in Bucarest for Megagen ch**

2018 March Genova

2018 March Montecatini terme ( PT)

**2018 May Tutor teacher in clinical implant hands on live course in Bucarest ( Romania) for Megagen ch**

2018 June Daegu South Korea -MINEC Knights international meeting

2019 MINEC Italia winter meeting

2019 MINEC Italy Emilia Romagna coordinator

2019 May Bologna Conference

2019 June INDIA Blitz Ahmedabad- New Delhi  
MINEC interntional meeting NEPAL

2019 September China Roadshow Biologic guided

I currently work as a freelance dental implant and aesthetic rehabilitation surgeon in Bologna, Ferrara London and Arundel (Sussex) dealing mainly with surgery focused con immediate loading technique and aesthetic adhesive techniques.
